

## Night Music

Sitting in the symphony tonight,  
The silken chords untied the world,  
Sealed my sight to light,  
Then slipped my clothes and hers, too  
In the dark.

Oh, sensuous music!

Luscious violas capture the night before  
Foreplay over tumescent strings,  
Stroking hair over tightened gut—  
Skin to skin creating swells of sensation  
Carrying the flow of feeling to the conclusion of the movement.

I open my eyes,  
We are holding hands,  
We disengage to applaud the artists  
But then leave the hall, arms around each other  
Very much in love.

21 Feb, 2000. Inspired by a performance of Symphony No. 4 in E minor, Opus 98 by the University City Symphony Orchestra at 3:00 pm on Sunday, 20 Feb. 2000.
